

SteelTailor™ Portable CNC Cutting Machines

SteelTailor Power Series

CE ISO9001:2000
ISO14000

- Support Flame & Plasma
- Affordable & Easy to Use
- Portable & Lightweight
- Precision: 0.4mm
- User's Manual in English, Spanish, Russian
- Perfect Anti-Plasma Noise Plan
- Extendable Frame!

32M Memory Supports Nesting!
User Friendly!
Cutting Software for free!
72h Pre-Delivery Test!
Professional Customer Service, 24h/7d!

Input Power	180W
Total Machine Weight	70.5kg
Cutting Thickness (Flame)	5-150mm
Effective Cutting Range	X:1200mm, Y:2000mm, Z:Automatically
Modes of Cutting	Flame or Plasma
Combustive Gas	Oxygen
Combustive Gas Pressure	Max: 1.5MPa
Cutting Speed	0-600mm/min (Flame), 0-6000mm/min (Plasma)
Electric Power	220AC/110AC, 60/50Hz
Torch Height Control	Automatic
Cutting Software	FastCAM or MTC

SteelTailor Power Portable CNC Cutting Machine

SteelTailor Power is a new series of SteelTailor family portable CNC cutting machines. It is an innovative version of portable CNC cutting machine. Within 10 years experience of our SteelTailor portable CNC cutting machines, this new version integrated many new features to better meet your needs.

Powerful CNC Controller

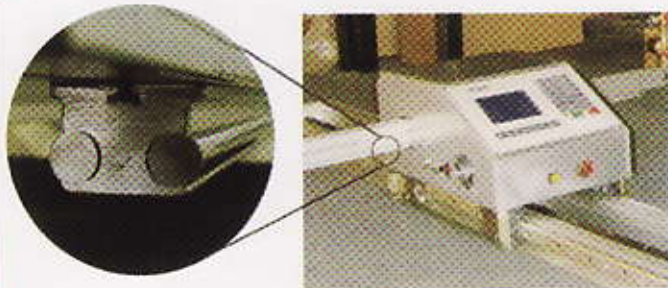

SteelTailor Power Series integrates a completely new version of CNC controller with many new features:

- 32M Memory for Users' Programs
- Built-in Library of Commonly Used Figures
- Break-point & Power-cut Restoration
- Returning to Reference Point
- Kerf compensation
- Revolving
- Mirror image

Advanced Stability

X-axis drive mode is optimized for SteelTailor Power. The introduction of guiding rail in the x-axis of the machine, enables a more stable movement of the crossbeam and avoids the cutting head from declining.

Guiding System of the Cross Beam

Bigger Cutting Area

SteelTailor Power cuts as wide as 2.0 meters (6.6ft), as long as 15 meters (48ft)

Max. Cutting Area:

2.0M X 15M

(6.6' X 48')

Easier Maintenance

Top Cover

Check up and maintenance of the controller can be done simply by removing the top cover

Motor Enable/Disable Button

This feature allows the user to enable or disable the motors while power is on, guarantee the user's safety

SteelTailor Power Standard Package

Support Nesting

So Portable
